THE COMMUNITY

The City of Auburn is considered one of the best places to live in Northern California. It's bordered by the beautiful American River Canyon and nestled in the western foothills of the Sierra Nevada Mountains. Located at the crossroads of I-80 and historic Highway 49, Auburn is the county seat of Placer County. The City encompasses approximately 7.5 square miles and has a population of 14,070. Situated at elevations between 1,000 and 1,400 feet, the surroundings offer an awesome seasonal change.

From Auburn's origins as a mining camp in the 1850s, the city has emerged as a community of strong historic character, cultural enrichment, economic diversity and a destination point for outstanding outdoor recreation. Memories of early history are being sustained by way of its museums and antique stores and the preservation and renovation of its residences and commercial buildings.

Auburn is committed to supporting the arts in the community, including public art, theatre, music, dance and the many local artists that exhibit their works in the art galleries and businesses. One-of-a-kind shopping and dining experiences are offered in the four commercial business districts. Light industry is supported by the city's Airport Industrial Park and the Auburn Municipal Airport. The Auburn State Recreation Area is adjacent to the city and offers numerous rivers and lakes for whitewater rafting and kayaking, boating and recreational fishing. The American River Canyon and beyond has miles of scenic trails, including equestrian and mountain bike trails, running and hiking trails and areas to simply enjoy the beauty and serenity of the great outdoors. Auburn is home to the challenging Western States Endurance Run/ UltraMarathon and the grueling Western States Endurance Ride/Tevis Cup held each year.

All trails lead to Auburn . . .
"Endurance Capital of the World"

THE ORGANIZATION

The City of Auburn was first incorporated in 1860 and again in 1888 and operates under the council/manager form of municipal government. City

Council members are elected at large to staggered, four-year terms of office. The Mayor is elected by the City Council. The Council appoints citizens to five standing commissions charged with presiding over areas of special concern to the City—the Planning Commission, the Economic Development Commission, the Historic Design Review Committee, the Arts Commission and the Technology Committee. The City Manager oversees the City staff of 65 in the administration of the day-to-day operations. The primary service delivery operations of the City are police, fire protection, community development and building, public works, municipal airport, bus transit and waste water treatment. Water, electric, solid waste disposal, parks and recreation and hospital services are provided by other agencies.

THE DEPARTMENT

Founded in 1852 the Auburn Fire Department members take pride in their heritage and continuous service to the community. Auburn Fire Department is a full service operation that responds to approximately 2000 calls for assistance per year, and operates out of three fire stations; two volunteer and one full staffed station.

THE POSITION

Under general supervision, the Firefighter will assist in fire suppression, medical emergencies and rescues; perform apparatus, building and grounds maintenance; perform fire prevention, fire inspection and public education activities; repair and test fire apparatus, equipment, buildings, and grounds; participate in training and educational activities; maintain records and reports; may operate and drive fire apparatus; and other related work as required.

In addition to the above, may be assigned to coverage for vacation, sick, education training, and other necessary work periods at various facilities. May be assigned to work a forty hour (40) work week and/or altered schedule to fill staffing needs.

May be assigned additional tasks with limited and or little supervision.

THE IDEAL CANDIDATE

Minimum Qualifications:

- Possession of a valid driver's license
- High School Diploma or equivalent
- Experience of; one (1) year of volunteer service in a recognized fire service or six (6) months in a full time position in a recognized fire agency
- Completion of a regional fire academy. State of California FF1 certification.
- Certified California EMT First Responder and CPR For The Professional Rescuer (Completion and/or certification of EMT meet this requirement)
- Hazmat Awareness
- Military time may be substituted for fire service time.
- Military certificates meeting the minimum qualifications are acceptable.
- Driver Operator and any additional certifications highly desirable.

Environment: Reactive emergency, natural or man-made disaster, and routine fire prevention environments with travel from site to site; the employee regularly works near moving mechanical parts and in areas of limited and restricted entry and exit; regularly exposed to outside weather conditions and wet and/or humid conditions; occasionally works in high, precarious places; exposed to fumes or airborne particles, toxic or caustic chemicals, extreme cold, extreme heat, and vibration; risk of electrical shock, radiation, drowning, and asphyxiation; the noise level in the work environment is usually moderate; however, the noise level is occasionally very loud when responding to emergency calls and when working at a fire or other emergency incident.

Physical: Primary functions require sufficient physical ability to work in a emergency response setting; walk, stand, sit, or run for prolonged periods of time; occasionally stoop, bend, kneel, crouch, reach, and twist; occasionally climb and balance; regularly push, pull, lift, and/or carry light to moderate weights; frequently lift and/or
